# Freestyle Rules and Ice Etiquette

1. Skaters are required to pay and/or sign in for their session before stepping on the ice.
2. Skaters MAY NOT enter the ice until the start of their designated session. Skaters entering the ice earlier than their designated session will be charged for that session.
3. Skaters carrying a past due balance with the rink WILL NOT be allowed on any session until pay in full.
4. Skaters are to enter and exit the ice from the South door located by the player's benches. The North door is to remain closed during all sessions.
5. Sessions on calendar are listed in hour sessions with a few exceptions. Sessions will no longer be able to be split if you are skating hour sessions. What is listed on the calendar is a hard start and finish time. If you are skating 30 minute sessions it will also be a hard start and finish time but broken into two parts. Example 3:00-4:00 session, if you are skating a 30 minute session you will be allowed to skate 3:00-3:30 or from 3:30-4:00 but not 3:15-3:45.
6. Skaters are allowed only water on the ice. Other foods and drinks must remain off the ice.
7. Ipods and MP3 players may not be worn during sessions.
8. Skaters are to refrain from the use of profanity.
9. Skaters are to respect the ice, coaches and other skaters.
10. Skaters are not to TALK, stand around, or play during freestyle session. These sessions are dedicated for practice and training only.
11. Skaters will only be allowed to leave the ice with permission from a coach.
12. Skaters "in program" have the right of way to the ice. All other skaters must yield to them and all other skaters in lessons.
13. Music will be played in the order it is turned in. Music must be played all the way through with no starting and stopping. Dance music may be played but only one dance per turn.
14. Coaches in lesson are allowed to cut other skaters music that is in line to be played.
15. PARENTS ARE RESTRICTED TO BLEACHERS AND LOBBY ONLY. Any parent observed instructing a skater, including using gestures from the viewing area will be asked to leave the facility. Parents may not stand behind the player's bench at any point during freestyle.

**Skaters and parents not compliant with the rules and regulations of freestyle will be asked to leave the ice and /or facility.**
