

Oilers Ice Center Patrons,

Due to City of Tulsa's civil emergency ordinance to close all entertainment venues, the Oilers Ice Center will be closing effective immediately. Our plan is to close March 17<sup>th</sup> – April 1<sup>st</sup> in hopes that the city requirement to stay closed will be lifted by then. All games are postponed during this time. While we are closed to the public, Oilers Ice Center management will be working diligently to start rescheduling any programs, events, etc that are affected during this closure. Our goal here is to start business as usual, as soon as we are granted the rights to open.
