FALL 2022

November 1 - December 17  
\*No classes 11/22-26\*

## WHAT IS IT?

Ice Explorers is a program tailored to those who aren't quite ready to get on the ice just yet. Instead, we'll start

off-ice with exercises designed to get students comfortable with the rink, coaching staff, movements required to skate. This program not only provides the student with knowledge, but the parents and guardians as well! You will learn how to properly select and tie skates and what the potential paths lie ahead for your students and how to get started.
