Learn to Synchro

NOVEMBER 3 - DECEMBER 17
NO CLASSES 11/24 + 11/26

WHAT IS IT?

This class will teach the fundamentals of Synchronized Skating! There are 4 levels that our coaches will help skaters test through *as a team*. We want to supply an introduction to the world of Synchro and offer the opportunity to learn what it is to be a good teammate. After skaters have completed the curriculum, they will be ready to join the Tulsa Golden Blades youth synchro team!
